Play with Nature

“Take the time to observe the simple and ponder upon the seemingly insignificant. You’ll find a wealth of depth and beauty as the woods are the same, the trees standing in their places, the rocks and the earth... they are always different too, as lights and shadows and seasons and moods pass through them”

VIR

LAMINATE

Why Vir Laminates

With its main brand, VIR Laminate, Rushil Décor stands out in the competitive laminate market. For residential and commercial applications in Indian and international markets, VIR Laminate provides the best options in decorative laminates.

VIR High Pressure Laminate (HPL) is made from absorbent Kraft paper and carefully chosen decorative papers that have been treated with melamine and phenolic resins. VIR laminate holds superior dimensional stability as it is pressed and hardened under heat and high pressure. Because of this, VIR laminates are immune to stains, scratches and water. These laminates can withstand the rigors of time and come in more than 500 different designs, 50 different textures, and 50 different finishes. laminates can take on the wear and tear of time.

INNOVATION

“Innovation distinguishes between a leader and a follower. Creativity is a habit, and the best creativity is the result of good work habits.”

TRUST

“Trust is earned when actions meet words, success in business is measured by the trust of your clients ”

CUSTOMER FOCUS

“The goal as a company is to have customer service that is not just the best but legendary ”

QUALITY & SERVICE

“Quality in a service or product is not what you put into it. it is what the client or customer gets out of it ”

INTRODUCTION

Rushil Décor Ltd., a leader among Indian producers of top-notch laminates, offers you a rich history of product innovation and client satisfaction. Since its inception in 1993, the company has grown outside of the Indian market to create a presence in more than 51 countries. With its extensive product portfolio of decorative laminates for residential and commercial applications, impeccable quality, exotic designs and textures, as well as a variety of colours and finishes, VIR Laminates, the flagship brand, has established itself as the go-to brand among Indian and international architects and interior designers.

• THE INSPIRATION SERIES •

Inspirations 2023 is a special collection that VIR has put together to inspire the imagination with spectacular, ground-breaking aesthetics. The line offers countless options for textures and finishes, from the rustic elegance of stone to the sheer power of wood grains. These are available in a variety of vibrant colours and brilliant whites. The aim is to provide designers the inspiration and creativity that can infuse a space with a soul, a unique personality that connects with everyone who enter and inhabit it.
