WE CAN MAKE IT.

IF YOU CAN THINK IT,

ABOUT RUSHIL DÉCOR LTD.

Rushil Decor Ltd, founded in 1993, has been a market leader in Laminate and MDF Boards. Today, the Company, with its vast product portfolio of Laminates, MDF Boards, HDFWR (High Density Fibre Water Resistant) Boards, Pre-Laminated Decorative MDF Boards, PVC and WPC Boards, PVC and WPC Doors offers customized design solutions to discerning customers in over 42 countries across the world. We are defined by our commitment to excellence and our passion to bring to life designs that meld expertise with art.

We aim to create a strong emotional connection in the hearts of our customers through design & experiences. We are always conscious of who we are designing for and the total experience we intend to create.

We revel in our ability to inspire and excite the world, challenge and break paradigms, influence & form the future.

Hence, over the years, we've built up our knowledge, product and supply chain expertise to allow us to offer a wide product portfolio of Laminates, MDF Boards, HDFWR (High Density Fiber Water Resistant) Boards, Pre-Laminated Decorative MDF Boards, PVC and WPC Boards with a fully supported robust after sales service network.

Our advanced state-of-the-art manufacturing facilities offer products across categories, with every product promising the Rushil hallmark of impeccable quality.

Our green-label certification from Singapore Environmental Council, BIS & Eco-mark certifications reinforce our commitment to doing business responsibly. Ensuring manufacturing compliance with Health, Safety and Environment (HSE) regulations, we remain committed to protect our people, the community and the environment.

To put it simply, we strive to enhance the quality of life for current and future generations through design, craftsmanship and innovation, fueled by the passion to create a wide range of design surfaces and panel boards which are beautiful yet functional.

VIR HIGH PRESSURE LAMINATES

We believe in combining the classic with the unexpected, the casual with the luxurious, 'the something familiar with something charming'. VIR Laminate offers a wide range of designs and textures in a myriad range of colors and hues to make sure your home or work space will be just as beautiful as you want it to be.

Available in 500 plus designs, 50 plus textures and finishes, crafted from distinctively selected decorative papers and absorbent kraft paper that can take on the wear and tear of time.

VIR EXT-LAM (EXTERIOR GRADE LAMINATES)

At Rushil Décor, we believe every outdoor space can be aesthetically appealing and also be transformed to suit our customers' need for creating luxurious, vibrant and functional outdoor spaces.

VIR Exterior Grade Laminates are designed to stand against constant exposure to Ultraviolet rays and exterior atmospheric pressure, without losing their color. It is manufactured by European Standards to suit various creative needs of the architects; applicable for both building cladding & temporary houses or site-office systems.

VIR Ext-Lam range is made to endure the rigors of the harsh outdoors, giving you years of luxury, comfort and most importantly durability.

APPLICATIONS :

Wall Cladding | Partition Walls | Railings | Front Gates and Doors | Balconies | Residential & Commercial Application | Ceilings/Roofing | Outdoor Furniture | Park Benches

AVAILABLE SIZE : 8 ft X 4 ft (2440 mm X 1220 mm) | 9 ft X 4.3 ft (2800 mm X 1300 mm)

10 ft X 4.3 ft (3050 mm X 1300 mm)

AVAILABLE THICKNESS : 6 mm to 15 mm (Customized thickness upon demand only)

SYNC SERIES

Our Sync Series brings you laminates that are embossed closely following the colors of the grain which make it look astonishingly like real wood. These laminates are specially crafted under special observation and developed in a way that the combination of design paper's grains and texture grains match, making the product special. These special laminates are robust, easy-to-clean, lightfast, and characterized by low emissions to keep their texture and color intact for a long period of time.

H2 SERIES

Our H2 series of horizontal premium laminates promise a wide array of patterns for many applications, delivering contemporary good looks, durability and versatility. Featuring subtle palettes of new age design patterns in gloss and matte finishes, this collection allows you to add nuance to any space.

VIR UNICOLOR

We believe in homes that are a perfect reflection of the people who live inside. Where everything looks the way you want it to, works the way you need it to, and just generally makes you feel good. That is why, we have come up with yet another unique innovation - VIR Unicolor. It is a niche product made from layered decorative color papers only so that the cross section of the laminate matches the color of the surface precisely. Available in glossy and matt finishes, in a palette of stunning shades, they can add vibrant accents to uplift the mood of any space in a room, infusing it with a rush of positive energy.

VIR POST FORMING LAMINATES

Craftsmanship and artistry are at the heart of this range. Examine every angle and you'll find perfection, across every style. VIR Post Forming Laminates are designed exclusively to give a seamless edge to the surface application. Its enhanced flexibility and malleability make it ideal for both horizontal and vertical application for table tops, shutters, furniture tops and many more such furniture. This laminate prevents water seepage in slits as it retains moisture.

DIGITAL LAMINATES

VIR Digital Laminates are tailored to perfection as per the customer's choice of design or image. Since these are customized products, the production of VIR Digital laminates needs an approved disclaimer from the customer. The customer can choose to customize the design by selecting from the range of ready designs.

VIR MDF / HDFWR BOARDS

VIR MDF (MEDIUM DENSITY FIBER BOARDS)

VIR MDF, from the house of Rushil Décor, is a new age product, a great alternative to solid wood, particle board and plywood. It is a favorite of OEM's, SCP's and conventional wood furniture manufacturers across the world. VIR MDF lends itself to impeccable craftsmanship to bring the most cutting-edge designs to life. The versatile, trendy range opens up exciting creative possibilities for those with a discerning eye, while conceptualizing contemporary, modern commercial or residential spaces. Put simply, with VIR MDF, you can create spaces that blend style and functionality for new age lifestyles.

VIR HDFWR (HIGH DENSITY FIBER WATER RESISTANT BOARDS)

VIR HDFWR, another of Rushil's exciting product innovations, is an ideal substitute for plywood. Made from high density fiber, these heavy-duty boards are ultra-strong, moisture-resistant, anti-fungal, borer-resistant and eco-friendly with great machinability. Rushil's state-of-the-art manufacturing facilities ensure impeccable quality of HDFWR Boards. Its high water-resistant characteristic makes it highly recommended for kitchens and bathrooms.

APPLICATIONS :

Residential & Commercial Furniture | Wall Panelling | Mouldings | Architectural Mouldings | Industrial Products
Sports Goods | Speaker Boxes | Display Cabinets | CNC Routing | Office Equipment | Flooring | Ceilings
Doors & Partitions | Cornice | Pelmet

ADVANTAGES & FEATURES :

Weather-Resistant | Double Hardened | Uniformity | Stability & Durability | Elegant Finish
Applicable for Moulded Edges & Profiled Surface | Excellent Surface Routing & Edge Shaping
Minimum Sanding & Filing | Ideal for Intricate Design Carving | High Gloss UV Digital Print | Isotropic

VIR MDF IS AVAILABLE IN TWO GRADES : Interior Grade MDF & Exterior Grade MDF

AVAILABLE SIZE* : 8 ft X 4 ft (2440 mm X 1220 mm) | 8 ft X 6 ft (2440 mm X 1830 mm)

*All international sizes will be available

AVAILABLE THICKNESS* :

INTERIOR GRADE MDF

2 mm | 3.3 mm | 4.3 mm | 4.75 mm | 5.5 mm | 7 mm | 7.3 mm | 7.5 mm | 9.75 mm | 10 mm | 11 mm | 12 mm |
14.5 mm | 16.5 mm | 16.7 mm | 18 mm | 25 mm

EXTERIOR GRADE MDF

3.3 mm | 5.5 mm | 7.5 mm | 11 mm | 12 mm | 17 mm | 18 mm | 25 mm

VIR HDFWR

3 mm | 12 mm | 16 mm | 16.5 mm | 16.7 mm | 18 mm | 25 mm

CERTIFICATION :

VIR PRELAM

There is a world-class technology at work behind the creation of VIR Prelam MDF / HDFWR Boards. These melamine faced medium and high-density prelaminated fiber boards are available in contemporary finishes, convenient sizes and exquisite designs that give you the freedom to create your signature style at home and work.

APPLICATIONS :

Partitioning | Panelling | False Ceiling | Cupboard Shutters | Furniture | Panel Door Inserts
Modular Furniture | Kitchens | Wall Panels | Exhibitions & Product Display | Speaker Boxes
Pre-laminated Stationary Articles

ADVANTAGES :

- No risk of de-lamination
- Resistant to abrasion, household chemicals, steam, cigarette burns and cracking
- Smooth & compact edges
- Easily moulded & routed
- Available in a wide range of shades in pastel & wood grain
- Smooth surface with uniform density and high internal bond
- Ideal for turning, milling, carving, grooving, painting and lacquering
- Provides superior strength combined with workability in all directions
- High-dimensional stability in variable atmospheric conditions

VIR PRELAM IS AVAILABLE IN THREE GRADES : Interior Grade Prelam, Exterior Grade Prelam & HDF Grade Prelam

AVAILABLE SIZE* : 8 ft X 4 ft (2440 mm X 1220 mm) | 8 ft X 6 ft (2440 mm X 1830 mm)

*All international sizes will be available

AVAILABLE THICKNESS* :

- INTERIOR GRADE

4.75 mm | 5.5 mm | 7 mm | 7.5 mm | 9.75 mm | 10 mm | 11 mm | 12 mm | 14.5 mm | 16.5 mm
| 16.7 mm | 17 mm | 18 mm | 25 mm

- EXTERIOR GRADE

5.5 mm | 7.5 mm | 11 mm | 12 mm | 17 mm | 18 mm | 25 mm

- HDFWR GRADE

5.5 mm | 12 mm | 16.5 | 16.7 mm | 18 mm | 25 mm

*All international sizes and thickness (2 mm to 30 mm) now available

CERTIFICATION :

VIR PVC AND VIR WPC BOARDS

A beautiful fusion of a solid top coat and a cellular core, VIR PVC and VIR WPC Boards are water-proof, termite-proof and fire-retardant. Our range of mood enhancing colors and assurance of durability promises exclusive designs across applications spanning interiors, direct digital printing, modular furniture and more.

APPLICATIONS :

Modular furniture for home | Office and commercial spaces | Wall Partitions | Kitchen and bathroom cabinets | Grooving, carving and design work | Screen and digital printing | Advertisements, exhibition board and sign board
